Shop at Kroger and help GDR at the same time!

Do you have a Kroger Plus Shopper's Card, a Kroger Rewards Card, or a Kroger Fuel Card? When you link your existing, or new, Kroger card to GDR's Community Rewards account and scan your card every time you check out Georgia Doberman Rescue earns money. Linking your Kroger Card to GDR's Rewards account does not affect your electronic coupons or your fuel points balance.

Here are the steps and a few pictures to ensure that you properly link your Kroger Rewards Card to GDR for fundraising purposes.

#1 Have your existing Kroger card handy. If you don't have one you can get one for free from the Customer Service desk at any Kroger.

#2 Go to https://www.kroger.com/communityrewards

#3 If you have an online account click the "Sign In" button. If you are not sure whether you have an online account chances are good that you do not. Click the "Create an Account" button.

#4 To create an online Kroger account enter your email address, create your own password, and enter your zip code.

#6 The next screen asks you to add your Kroger Plus Card to your online account. The card number can be found on the back of your Kroger Card. When you look at the bar code on the back of your Kroger Card there should be 12-digits, don't forget to enter the number at the very beginning and the very end of the bar code. (If you usually give your phone number when you check out instead of scanning an actual card, you can enter your 10-digit phone number here instead of the card number.) You are also asked to enter the last name that is tied to this Kroger Card. If you try your current last name and you get an error like I did, try a previous last name. Chances are good if your Kroger Card is older than your marriage you didn't change your name with Kroger when you got married. ☺ Don't forget to click the "Save" button.
